

ELON MUSK

1. He is owns tesla and other innovation companies
2. He is a businessman who thinks of getting to aviate mars
3. He is a very positive person in all his decisions
4. He is the richest man in the whole world
5. He is person who seeks to revolutionize humanity through science and technology

I chose elon musk because he is a great businessman who has wanted to revolutionize the world with his inventions, he also has very great ideas like wanting to get to mars and avoid it, creating robots that can be used to do homework, that is wgy i chose elon musk
