MARGARITA PASOS

1. She is corporate coach
2. She is a business speaker
3. She is a tv presenter
4. She is a powerful motivator
5. She is writer of "I could, I can"

I admire Margarita Pasos because she has a very positive attitude at all times and always tries to encourage people to give their best. I admire the work he continually does in managerial leadership, in his entrepreneurial classes. Her business venture from the business college she founded with her husband. I admire the strength he has to move forward and above all the trajectory it has. He really is a great person who seeks the common good and drives all types of people who want to undertake
