BRIAN TRACY

- 1- He is an entrepreneur, motivational speaker and writer.
- 2- He is the CEO of Brian Tracy International.
- 3- In addition to being an entrepreneur he speaks 4 different languages.
- 4- He is a person who cultivates knowledge daily.
- 5- He is the leader of a university that trains dozens of people every year.

Brian Tracy is a "business success general," an example of what can be achieved; and a sought-after conference speaker. His wealth of knowledge and wisdom has developed over many years; From humble beginnings, raised in a poor family, to becoming a world leader. Brian has "walked the path of learning" that many others dare not travel; And along the way he has created a mass of followers hungry to learn and succeed for themselves.
