

# // Kinky Boots Movie //

1. What's the problem with the company? The company has much decrease, there is inventory that isn't, the CEO doesn't have experience, a bad and expensive business plan, the company doesn't have clients.
2. How is Charlie's relationship with the staff? Hard because his staff don't respect Charlie, due to inexperience and doesn't have experience, also because doesn't have determination and character to give orders to his staff, but at the end his staff changes and they help Charlie.
3. How is Lola's relationship with her colleagues? With women her relationship is good but with men at the beginning it is bad, but later they become friends, I think that is a complicated relationship at the beginning.
4. Why is Lola awesome? Lola is amazing because she helped design the boots, because she knows how to sing and dance, because she continued her dream though people laughed at her.
5. Did you like the movie?  
Yes, I like the movie Charlie is magnificent and gentle, because he cared about his employees and also I like.
