Actividad: Kinky boots movie questions

Catedrático: Ana Iraís Campillo Sánchez

1. What's the problem with the company?

The company has much decrease, there is inventory that isn't sold, the CEO doesn't have experience, a bad and expensive business plan, the company doesn't have clients and profits.

2. How is Charlie's relationship with the staff?

Hard because his staff don't respect Charlie, due is inexpert and doesn't have experience, also because doesn't have determination and character to give orders to his staff, but at the end his staff changes and they help Charlie and start to respect him.

3. How is Lola's relationship with her colleagues?

Her relationship is good but with men at the beginning it is bad, but later they become friends, i think that is a complicated relationship at the beginning.

4. Why is Lola awesome?

Lola is amazing because she helped design the boots, because she knows how to sing and dance, because she is famous in Milan and because she continued her dream though people laughed at her.

5. Did you like the movie?

I liked about the movie that Charlie is a great person because he cared about his employees and also i liked that Charlie together with Lola he rebuilt his company
